There is no guarantee that we will be assigned according to past practice. For now, please reserve both days for a possible band performance and we will share exact times as soon as we know them.

More dates to come soon. We are waiting for Dow Diamond to tell us when MPS 2020 Commencement ceremonies can be scheduled. Our concert calendar for the spring of 2020 is on hold until that happens.

Note:

Events may be added with adequate notice from the directors.

Requests for an excused absence are due TWO weeks prior to the event to be missed.

Band students are expected to hear and support each other at our concerts. For example:

Members Symphonic Band come early to hear the Green Concert Band performance and the members of the Green Concert Band should stay late to hear the Symphonic Band performance.

All percussionists are expected to help set up for the concerts and tear down/pack Equipment following the concerts.
