

REP Information

Midland Public Schools is required to complete the Registry of Educational Personnel (REP) report, twice per year (December and June). The (REP) is designed to collect basic employment elements relating to school personnel, including student teachers. Data submitted by school districts via the REP are used to produce reports for the U.S. Department of Education and for the state of Michigan regarding school personnel. (CEPI *“Registry of Educational Personnel (REP) New to the REP?”*) Please provide the following information below.
