STUDENT DRIVERS AND VEHICLE REGISTRATION INFORMATION

Registering a vehicle and being able to drive/park it on school property is a privilege. Parking provisions are made for handicapped, staff, traveling/guest teachers, public/visitor and then students. Students are assigned a parking spot based on availability at the time of registration. Students must park in their designated spot only. Fire and emergency vehicle lanes must be kept clear at all times. Students who wish to park must have a parking permit sticker adhered to the lower left rear window (driver's side). A security guard assists in the parking lot and every possible effort will be made to make parking the lots safe for all.

Violations, including parking in staff areas, may result in the loss of your driving privileges at the school. Illegally parked cars may be ticketed by State/County agencies and may be towed. The following regulations must be observed at all times:

REGULATIONS

1. Observe all stop signs and warning when entering and exiting the parking lot.
2. Park between yellow lines only, not *ON* the lines.
3. Fire lanes and yellow curbs indicate "No Parking".
4. Blue lines, blue curbs and signs indicate "Handicap Parking" only.
5. Do not parking the spaces reserved for staff members and visitors to the building.
6. Observe the 15 mph speed limit at all times when in the parking lots.
7. All vehicles must be locked every day. Midland Public Schools cannot be responsible for stolen property.
8. Proper respect shall be given to the security guard at all times.
9. A student who operates a vehicle upon school property is considered to have given consent to search of the vehicle with cause. A parent or guardian who grants permission for his/her student to operate a vehicle on school property is also considered to have given such consent to search of the vehicle.
10. Trash should be disposed of in the proper receptacle.
11. Students who have their driving privileges suspended and then drive on school property may lose their driving privileges for the remainder of the semester.
12. Suspension of driving privileges for moving violations at one school applies at all other schools. During any suspension of driving privileges, the student may not drive or allow his/her car to be driven by another student.

We have read and agree to all the conditions set forth in Regulations 1-12. We agree and understand that any violation of any of these regulations may result in revocation of driving privileges. We expressly consent to search of the vehicle as stated in Regulation 9. We grant permission for the student to operate the registered vehicle upon school premises subject to the regulations.
